

The purpose of this quarterly newsletter is to provide helpful economic development information to York County municipalities.

The York County Economic Alliance and the York County Planning Commission have partnered to bring resources directly to the local level to implement the York County Economic Development Plan through the Municipal Outreach Program (MOP).

The goal of MOP is to support sound economic development practices in order to increase the local tax base, create jobs and enhance communities in which residents can truly live, work and play.

### Municipal Services

The YCEA, in cooperation with YCPC, seeks to work with York County municipalities to implement the York County Economic Development Plan, which is a component of the York County Comprehensive Plan. The Economic Alliance and YCPC can assist each municipality in determining which elements and objectives of the County Plan should be explored, expanded or implemented within their jurisdiction. The Municipal Outreach Program is a component of the County Plan that provides coordinated planning and economic development services to municipalities at little to no cost, such as:

#### Economic Alliance Services

- Information and municipal profiles
- Site evaluation and marketing
- Funding information & technical support
- Economic impact analysis
- Economic development plan & vision guidance
- Economic development staff support

#### YCPC Services

- Review and make recommendations on existing plans/ordinances
- Community data and statistics
- Build-out scenarios & analysis
- GIS services
- Funding applications
- Traffic engineering studies

Reminder: Economic Alliance membership is available at no cost to all York County municipalities.
